

SAE 40

2L | 5L | 30L | 60L | 200L

4 stroke motor oil

Mineral

Monograde oil suitable for **petrol or diesel engines, including turbo-charged**, for passenger cars, lorries and civil engineering equipment.

API SF/CD | MIL.L. 2104 D
Performance level : DB 226.1 - 227.0

Grade particularly suitable for hot climatic conditions

Antiwear, detergent, dispersant additives, rust and oxidation inhibitors

Engine better cleaned and longer engine life.

Technical data

Viscosity at 40°C (cSt) : 160

Viscosity at 100°C (cSt) : 15.3

Viscosity index : 100

Density at 20°C : 0.892

The given data are typical data.
