

CROSSROAD 10W50 4T

4 stroke motor oil

Semi-synthetic

Partly synthetic oil developed for **4-stroke engines and gearboxes** of motorcycles operating under severe conditions or running in racing environment.

SAE 10W50 | API SJ | JASO MA

Antiwear and detergent properties

Engine life extended.

Low volatility

Oil consumption reduction.

High lubricating power

Maximum safety at high speed.

Technical data

Viscosity at 40°C (cSt) : 112

Viscosity at 100°C (cSt) : 17

Viscosity index : 165

Viscosity at -25°C (cP) : 6500

Density : 0.873

The given data are typical data.
