

ECOSYNN C4 5W30

5L | 30L | 60L | 220L

4 stroke motor oil

Fully synthetic

High technological fully synthetic engine oil for the latest generation of passenger cars (**especially for RENAULT engines**) equipped with **post-treatment systems** (Particulate Filters, Diesel Oxydation Catalyst).

PERFORMANCE

**ACEA C4 | MB 226.51/229.51
Renault RN 0720**

«Low-SAPS» oil

Limitd content in sulphated ash, sulfur and phosphore
Longevity of those new systems improved.

Detergent and dispersant powers

Excellent engine protection and cleanness.

Low volatility

Oil consumption reduction.

High temperature stability

Good protection at high temperature.

High viscosity index

Perfectly suitable for use all year round.

Technical data

Viscosity at 40°C (cSt) : 69,8
Viscosity at 100°C (cSt) : 12
Viscosity Index : 171
Viscosity at -30°C (cP) : 5982
Density at 20°C : 0.850

The given data are typical data.
