

MULTI DIESEL 20W40

30L | 60L | 220L

4 stroke motor oil

Mineral

This oil is developed for **diesel engines**, including turbo-charged, for **trucks** and **civil engineering equipment** working under severe conditions all year round.

API CE/SF | CCMC D4/G2/PD2
MIL.L. 2104E/46152B
Performance level : MB 227.1

Detergent and dispersant properties

Engine life extended.

High temperature stability

Good protection at very high temperature.

Technical data

Viscosity at 40°C (cSt) : 132

Viscosity at 100°C (cSt) : 15.2

Viscosity index : 118

Density at 20°C : 0.890

Viscosity at -15°C (cP) : 9000

The given data are typical data.
