

EP 140

30L

Gearbox, axle and transmission oil

Mineral

Gear oil for **hypoid axles and all loaded gears** where the manufacturers require API GL4 standard and SAE 140 viscosity grade.

SAE 140 | API GL4 | MIL.L. 2105

High viscosity

High lubricating power.

Technical data

Viscosity at 40°C (cSt) : 414

Viscosity at 100°C (cSt) : 29

Viscosity index : 97

Density at 20°C : 0.905

The given data are typical data.
