

SYNTHO 75W80

2L | 30L | 60L | 220L

Gearbox oil

Semi-synthetic

Partly synthetic **multigrade oil** developed for **manual gearboxes**.

API GL5 | MIL.L. 2105D

Low viscosity at low temperature

Easier gear shift at cold start.

Excellent oxidation stability

Protection against sludge and deposits formation

Fuel consumption reduction

Neutral towards sealing materials

Technical data

Viscosity at 40°C (cSt) : 49.5

Viscosity at 100°C (cSt) : 7.5

Viscosity index : 113

Density at 20°C : 0.876

The given data are typical data.
