

ACCOFARM TP 10W40

30L | 60L | 220L

Multi purpose oil

semi-synthetic

High performance multi purpose oil developed for the **lubrication of all major components of tractors and civil engineering equipment:** engines, wet brakes, transmission and hydraulic systems. It can also lubricates fixed compressors in building sites.

PERFORMANCE

**ACEA E3 | API CG4/CE/SF
API GL4 - GL5 (high torque - low speed)-MT-1 MIL.L. 2104D
JOHN DEERE J27 | MASSEY FERGUSSON M1139/1144/1145
FORD M2C 159B/C
FNH 8200920 : 1/2/3 | DIN 51506 VCL**

Friction modifying additive

Jamming effects prevented

Detergent, dispersant, anticorrosion, extreme pressure properties.

Avoid deposits, varnishes and ring sticking.
Excellent filterability.

Technical data

Viscosity at 40°C (cSt) : 89,8
Viscosity at 100°C (cSt) : 13.6
Viscosity Index : 153
Density at 20°C : 0.873
Viscosity at -25°C (cP) : 6240

The given data are typical data.
