

## ACCOGLISS ASS. 68

30L | 60L | 220L

Machine tool oil

Mineral

Mineral oil developed for the **lubrication of slide ways, hydraulic systems (32-68) and gearboxes of machine tools.**

### PERFORMANCE

**ISO 6743/4 : HG | DIN 51517-3 : CLP | DIN 51524-2 : HLP  
DIN 51502 : CG | AFNOR NF E 48-602 : HM |  
French Steel FT 172  
CINCINNATI MILACRON p.47 | VICKERS M2950S (pump 35 VQ 25)**

#### Extreme pressure additives

Oil film resistance under high load.

#### Rust inhibitors

Protection against corrosion.

#### Antifriction property

Avoid jerks and parasitic jerks.

#### Technical data

Viscosity at 40°C (cSt) : 68

Viscosity at 100°C (cSt) : 8.7

Viscosity index : 102

Density at 20°C : 0.883

The given data are typical data
