

ACCOGLISS ASS. 220

30L

Machine tool oil

Mineral

Mineral oil developed for the **lubrication of slide ways and gearboxes of machine tools.**

PERFORMANCE

**DIN 51517-3 : CLP | DIN 51524-2 : HLP | DIN 51502 : CG
French Steel FT 172 | CINCINNATI MILACRON p.50
BIJUR FILTRABILITE | ISO 6743/4 : HG**

Extreme pressure additives

Oil film resistance under high load.

Rust inhibitors

Protection against corrosion.

Antifriction property

Avoid jerks and parasitic jerks.

Technical data

Viscosity at 40°C (cSt) : 220
Viscosity at 100°C (cSt) : 18.3
Viscosity index : 97
Density at 20°C : 0.897

The given data are typical data
