

ACCOVIS R.C

2L

Gearbox, axle and transmission oi

Vegetal

Vegetal based oil (castor oil) for rear axles and worm reducers.

ACCOVIS R.C. can be used in all equipment when the manufacturers recommends castor oil.

It is only **miscible with lubricants of the same nature**: castor oil, rape seed,...

PERFORMANCE

API GL2 | SAE 90
PEUGEOT (for axles of 203 - 403 - 404 models)
STAUB (for 6000 - 7000 & PP2X series)

Biodegradable lubricant

Antiwear properties for worm reducers

Corrosion prevented to the transmission systems

Non-toxic

Technical data

Viscosity at 40°C (cSt) : 260

Viscosity at 100°C (cSt) : 20

Viscosity Index : 87

Drop point (°C) : -30

Density at 20°C : 0.961
